Washington, D.C. 20204

Dear Dr. Yetley:

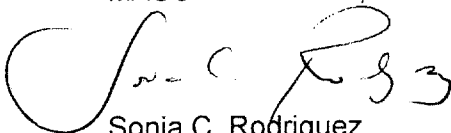

Notice is hereby given pursuant to the requirements of Section 403(r)(6)(21 U.S.C. 343(r)(6) of the Federal Food, Drug and Cosmetic Act of statements of nutritional support which have been made on the label and/or in the labeling in connection with the marketing of the dietary supplement PROHERBS MENOPAUSE. PROHERBS MENOPAUSE will be first marketed with these statements of nutritional support on Monday, April 3, 2000. The statements of nutritional support are as follows:

"Enhances comfort and helps reduce hot flashes during menopause"

"Enhance your comfort and reduce hot flashes during menopausal years with a complete formula that combines clinically tested ingredients. **Black Cohosh** is the most recognized "comfort" herb that helps maintain estrogen balance during a woman's menopausal years. **Soy isoflavones** address important health concerns for menopausal women such as maintaining a healthy heart. The **B Vitamins**, particularly **B-6**, and **Magnesium** help to support consistent body temperature and help provide relaxation. Include Menopause Support in your daily nutrition for a healthier you"

Very truly yours,

MASON VITAMINS, INC.
